Declaration of Conformity (China RoHS 2)

This declaration contains the directive SJ/T 11363-2006 (China RoHS 2) of the Chinese Ministry of Industry and Information Technology (MIIT) from 21st Jan 2016 on the restriction of the use of certain hazardous substances in electrical and electronic equipment, officially known as “Administrative Measure on the Control of Pollution Caused by Electronic Information Products”.

We hereby declare, that all current qualities, including all filter products sold by us, are fully compliant with the requirements of the China RoHS 2 directive.

We point out that for all above mentioned qualities and articles none of the substances listed below are employed intentionally or exceed the maximum limit during manufacturing and handling processes.

No.	Group of Substances	Restricted Substance	Substance	Limit
1	Heavy metal	Lead and lead compounds	Pb	0.1 wt%
2	Metal	Cadmium and cadmium compounds	Cd	0.01 wt%
3	Metal	Hexavalent chromium	Cr ⁶⁺	0.1 wt%
4	Metal	Mercury and mercury compounds	Hg	0.1 wt%
5	Polybrominated aromates	Polybrominated biphenyls	PBB	0.1 wt%
6	Polybrominated aromates	Polybrominated diphenyl ethers	PBDE	0.1 wt%
